

All items are available for purchase at the St Luke's Online Shop. Refer to the Uniform Ordering Guide for detailed instructions. The school year begins in summer uniform; we'll announce the official changeover to winter and back to summer. Where a 'Choice' block is indicated, students may select one of the listed options - it is not necessary to purchase both.

Girls in Grades 0–7 may wear skorts, while skirts are permitted from Grade 4 through to High School. Senior Prep students may choose either skorts or skirts for comfort, and navy fitted bike shorts may be worn underneath skirts. High School girls (Grade 8 and above) may also wear trousers in summer. Ties are not compulsory, and shirts may be worn with the top button open; however, if a blazer is worn, it must be accompanied by a tie. The school will advise students when blazers and ties are required. All Gr 4 - 7 students require a St Luke's senior school bag, also available online.
